

DD/S 68-1249

12 March 1968

MEMORANDUM FOR: Director of Finance

Bob:

Judging by events of yesterday, several people had essentially the same idea at the same time; that is, the IG's Survey of your Office. You mentioned that you had been reviewing the subject, as had I, and we learned later that Colonel White has been going over our initial response. Would you outline for us the status of your actions. Would you also comment on the attached suggestions for the Travel Committee.

John W. Coffey

NOTE FOR: Mr. Coffey

I would concur in [] nominees for the Travel Committee except that it might be well to appoint Mr. [] who I believe will be the Chief, Central Travel Branch, when [] does retire.

25X1
25X1
25X1

I would also agree with the Charter that Mr. [] has suggested and would add that they should check with the Administrative Authorities Committee which is headed up by [] [] Some actions which Mr. [] Committee has taken recently may have a bearing on the problems of this newly constituted Travel Committee.
